**WOODFORD TOWN
FOOTBALL CLUB**

WHO WE ARE

Thank you for your interest in Woodford Town Football Club.

As you know this is an iconic non-league and grassroots football club that was established in 1937.

Over the last 7 years we have been building this iconic football club back to the heady heights it enjoyed back in the 1970s/80s. From its establishment back in 1937, fast forward to 2021 and along with my fellow directors we have managed to return to Woodford in our new stadium, Ashton Stadium, in partnership with Redbridge council.

We have our Senior Team playing in the Essex Senior League, step 5 of the English league pyramid, along with our Reserve Team and our u23s Academy side, and a flourishing youth section with teams ranging from u18s to u8s.

Our First Team also competes in The FA Cup, The FA Trophy and The FA Vase and our select u18s will represent us in the FA Youth Trophy.

To maintain this club's grassroots approach we, like any other club, need to look for sponsorship within the local community.

These sponsorship packages have many benefits for your organisation that may be looking to build relations in the local community.

If you would like to discuss further, please make contact with our Sponsorship Team headed by Justine Baker at email: sponsorship@woodfordtownfc.com.

We will be happy to show you around the Stadium.

Kind Regards,

Tony Scott
